Some for other colors

click and here to be brighter

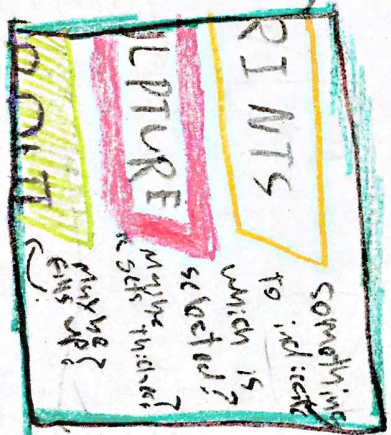

probably gradient

☐ above image but small point so not too distracting

Very small gradient not of pure white maybe like this

Bottom of these scroll If Name and Text stay the same please

Every would be simple like this that it attach yes ok

Images in category in order of year highlow

starting window

When click on image, large window pops up to reveal larger image that's zoomable plus info that thicker than at unclicked both images
